Next Tuesday (10/30)

Your **Midterm**: IN CLASS

Instead of a new homework, you got an optional (not graded!) practice midterm. Solutions to practice midterm and all remaining HW solutions on their way.

When you see the practice midterm... **DON’T PANIC!**

Practice midterm will be harder than midterm (especially if you practice :-)

Also, we didn’t get as far on TMs and the midterm will take it into account.
